The UnComplex HR Management Software

Simple to use... from Recruitment to Retirement – we call it UnComplex

**Employees are your most important asset
Managing this need not be complex**

We make it UnComplex... With

**Important - The UnComplex HR & Payroll
Management Software**

The logo for 'Important' features the word 'important' in a light blue, lowercase, sans-serif font. The '@' symbol is positioned to the left of the 'i' and is rendered in a yellow-to-orange gradient. Below the main text, the tagline 'employees are important' is written in a smaller, lowercase, sans-serif font.
